

2008 GAWP LABORATORY QA AWARDS

The GAWP Laboratory Committee invites you to participate in the 2008 Laboratory QA Awards Competition.

Please **Check** the category of your lab:

How can my lab benefit from this competition?

- Your QA system is reviewed by a third party inspection team at no cost to you.
- See how your lab compares with other labs in your category.
- Find areas in your lab that may need improvement.
- Make your data more defensible.

| | |
|--|--|
| | Municipal Wastewater less than 5 MGD |
| | Municipal Wastewater 5-20 MGD |
| | Municipal Wastewater greater than 20 MGD |
| | Industrial Wastewater |
| | Drinking Water Serving less than 10,000 |
| | Drinking Water Serving 10,000-100,000 |
| | Drinking Water Serving greater than 100,000 |
| | Environmental |

Please submit this form along with a controlled copy of your lab's QA manual (if available) Digital copies are appreciated. Having a copy of the QA manual ahead of time will allow for a less time consuming visit. All copies will be returned at the time of inspection and all information will be protected.
